Welcome!

Watch your child begin their love of dance! Your dancer will discover the magic of learning with teachers who nurture their programs and develop their artistic talents. Their confidence will soar as they learn, progress, and improve. Performing on stage will be the highlight of the year and is an experience they will treasure forever. Dancers flourish in small class sizes where they can build strong bonds with their teacher who gives them individual attention to ensure their success.

At ABC's of Dance, every child is a star!

We are a family owned studio, which allows us to share our passion for dance, creating a true sense of community. We have over 23 years of experience in the dance industry and over 17 years of experience owning a studio. Join our dance family and see your child grow through the art of movement!

What we offer at ABC's of Dance
